Ondaashi is an older boat, ideal to charter for day sailing out of Pikes Bay. In 12 knots of wind she will cruise comfortably between 5 and 6 knots. Equipped with V Berth (kid size) two full length settee berths and a quarter berth, she is comfortable for a couple or a family of 4 looking to explore the near Apostles. For those wishing to anchor out, there are bays around Madeline Island. The bays at Stockton are reachable.

A good boat to expand your sailing skills, with the capacity to enjoy sailing to an anchorage. While in the slip at Pikes Bay, you have full access to the Club House, offering individual bathrooms, a full kitchen and barbeque.
